

Our Mission

To transform the lives of those affected by cancer and to inspire healthy living for all

My cancer is 'gone for now' but my emotional pain was very deep because of all I had lost with cancer. Here at Harmony Hill I was able to grieve, release my deep emotional pain and leave, better understanding how to live from my heart and acknowledge sadness and joy.

This truly has changed my life. When I came I could not identify my needs, all I knew was, I had so much sadness in my life. I'm leaving today renewed and restored, but will also be able to identify my feelings easier next time.

2016 Cancer Retreat Participant Quotes

Message from the Executive Director

We are happy to share with you Harmony Hill's 2016 Annual Report—reflecting the many ways in which we served our transformational mission.

Harmony Hill, while celebrating our 30th anniversary year, moved forward in significant ways in 2016. This was all made possible by you, our many donors, who gave your generous support so that we could bring our mission to many more people who needed our programs.

Here are just a few highlights of what your support allowed us to do:

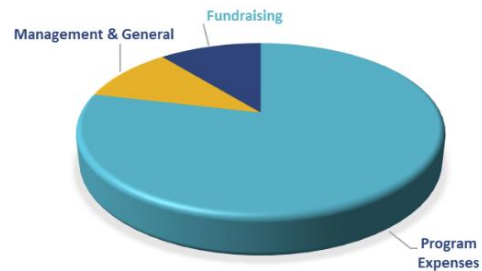

- Served 333 individuals in cancer retreats, the heart of our program
- Grew our innovative Health Professional Renewal program substantially, serving 76 providers from 14 different organizations
- Served 244 individuals in six hospitals and clinics in the Puget Sound region through community-based Healing Circle/Cancer Wellness programs
- Reached over 7,000 people in our cancer retreats, offsite programs and webinar/podcasts, a 30% increase over 2015

Please note that our health professional and hospital programs generated earned revenue for Harmony Hill, while allowing us to more broadly serve our mission.

We did all of this while keeping our administrative and fundraising expenses to 21% of our overall expense budget.

Thank you all for your continued support!
